Reliance on information posted

Commentary and other materials posted on my site are not intended to amount to advice on which reliance should be placed. We therefore disclaim all liability and responsibility arising from any reliance placed on such materials by any visitor to my site, or by anyone who may be informed of any of its contents.

My site changes regularly

I aim to update my site regularly, and may change the content at any time. If the need arises, I may suspend access to our site, or close it indefinitely. Any of the material on my site may be out of date at any given time, and I am under no obligation to update such material.

My liability

The material displayed on my site is provided without any guarantees, conditions or warranties as to its accuracy. To the extent permitted by law, I hereby expressly exclude:

- All conditions, warranties and other terms which might otherwise be implied by statute, common law or the law of equity.
- Any liability for any direct, indirect or consequential loss or damage incurred by any user in connection with my site or in connection with the use, inability to use, or results of the use of my site, any websites linked to it and any materials posted on it (whether by myself or a third party), including, without limitation any liability for:
 - loss of income or revenue;
 - loss of business;
 - loss of profits or contracts;
 - loss of anticipated savings;
 - loss of data;
 - loss of goodwill;
 - wasted management or office time; and
 - for any other loss or damage of any kind, however arising and whether caused by tort (including negligence), breach of contract or otherwise, even if foreseeable.

This does not affect our liability for death or personal injury arising from my negligence, nor my liability for fraudulent misrepresentation or misrepresentation as to a fundamental matter, nor any other liability which cannot be excluded or limited under applicable law.

Information about you and your visits to my site

I process information about you in accordance with my Privacy Policy. By using my site, you consent to such processing and you warrant that all data provided by you is accurate.

Uploading material to my site

Any material you upload to my site will be considered non-confidential and non-proprietary, and I have the right to use, copy, distribute and disclose to third parties any such material for any purpose. I also have the right to disclose your identity to any third party who is claiming that any material posted or uploaded by you to my site constitutes a violation of their intellectual property rights, or of their right to privacy.

I will not be responsible, or liable to any third party, for the content or accuracy of any materials posted by you or any other user of our site.

I have the right to remove any material or posting you make on my site if, in my opinion, such material does not comply with the content standards set out below.

Viruses, hacking and other offences

You must not misuse my site by knowingly introducing viruses, trojans, worms, logic bombs or other material which is malicious or technologically harmful. You must not attempt to gain unauthorised access to my site, the server on which my site is stored or any server, computer or database connected to my site. You must not attack my site via a denial-of-service attack or a distributed denial-of service attack.

By breaching this provision, you would commit a criminal offence under the Computer Misuse Act 1990. We will report any such breach to the relevant law enforcement authorities and we

will co-operate with those authorities by disclosing your identity to them. In the event of such a breach, your right to use my site will cease immediately.

I will not be liable for any loss or damage caused by a distributed denial-of-service attack, viruses or other technologically harmful material that may infect your computer equipment, computer programs, data or other proprietary material due to your use of my site or to your downloading of any material posted on it, or on any website linked to it.

Linking to my site

You may link to my home page, provided you have obtained my prior written consent and provided you do so in a way that is fair and legal and does not damage my reputation or take advantage of it. You must not establish a link in such a way as to suggest any form of association, approval or endorsement on my part where none exists.

You must not establish a link from any website that is not owned by you.

My site must not be framed on any other site, nor may you create a link to any part of my site other than the home page. We reserve the right to withdraw linking permission without notice. The website from which you are linking must comply in all respects with the content standards set out below.

If you wish to make any use of material on my site other than that set out above, please address your request to info@michelewillmott.com.

Links from my site

Where my site contains links to other sites and resources provided by third parties, these links are provided for your information only. I have no control over the contents of those sites or resources, and accept no responsibility for them or for any loss or damage that may arise from your use of them.

Interactive services

I may from time to time provide interactive services on our site, including, without limitation:

- Allowing users to comment on blog post.

(interactive services).

Where I do provide any interactive service, I will provide clear information to you about the kind of service offered, if it is moderated and what form of moderation is used (including whether it is human or technical).

I will do my best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on my site, and I will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, I am under no obligation to oversee, monitor or moderate any interactive service I provide on our site, and I expressly exclude my liability for any loss or damage arising from the use of any interactive service by a user in contravention of our content standards, whether the service is moderated or not.

The use of any of my interactive services by a minor is subject to the consent of their parent or guardian. I advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not foolproof. Minors who are using any interactive service should be made aware of the potential risks to them.

Where I do moderate an interactive service, I will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.
